

EXAMINING ETHICS
TRANSCRIPT – 2024–2025 SEASON ANNOUNCEMENT (10.21.24)

Hi. I'm Alex Richardson. I'm happy to share with you that Examining Ethics is back, or at least it will be, a few weeks from now. I'm excited to announce a relaunch of the show with its upcoming 2024–2025 season. We've got quite the slate of guests and topics lined up for you this year.

For starters, you'll likely recognize my voice as a new one on the show. I'll be taking the reins from the terrific Christiane Wisheart as host and executive producer, and I very much look forward to joining the conversation with you starting with our first episode of the season in November. Please join us as we look ahead to an exciting year spent digging into tough and thorny issues in moral philosophy and beyond.

Examining Ethics is hosted and produced by Alex Richardson, and brought to you by the Janet Prindle Institute For Ethics at DePauw University. Our music is from Blue Dot Sessions.

You can learn more at examiningethics.org or contact us directly at examiningethics@depauw.edu. Thanks for listening, and we'll see you soon.
